

## STANDARD PURCHASE TERMS AND CONDITIONS FOR GOODS

These Standard Purchase Terms and Conditions (the “Agreement”) control all purchases made by Niagara Bottling, LLC (“Niagara”). The supplier of goods to Niagara (“Seller”) acknowledges that the terms of this Agreement may be different from those of Seller’s quotation, invoice, proposal, confirming sales memoranda or other documentation (“Seller Documentation”). In the event Seller demands inclusion of any terms other than those expressly set forth in this Agreement, Seller shall notify Niagara in writing within forty-eight (48) hours of receipt of any associated order from Niagara. Seller will send any such notice to [legalnotices@niagarawater.com](mailto:legalnotices@niagarawater.com) and via certified mail to 1440 Bridgegate Drive, Diamond Bar, CA 91765 USA. Failure to provide Niagara with such notice shall constitute Seller’s express (1) acquiescence to and acceptance of this Agreement; (2) acknowledgement that the Agreement exclusively governs and controls the parties’ relationship; and (3) recognition that any other terms included in or appended to any Seller Documentation shall be of no force or effect and are hereby superseded by the Agreement. Niagara and Seller are each a “Party” to this Agreement and collectively the “Parties” to this Agreement. Except to the extent the face of Niagara’s ordering document specifies otherwise, the following shall be applicable and control:

### 1. SCOPE OF AGREEMENT AND ORDERS.

- a. Scope of Agreement and Purchase Orders. This Agreement controls any purchase order placed with Seller by Niagara (a “Purchase Order”) except to the extent the Purchase Order expressly incorporates overriding terms and conditions by reference. All goods (“Goods”) and/or services (“Services”) on a Purchase Order are subject to this Agreement. In the event Seller does not agree to the terms set forth herein, Seller may reject Niagara’s Purchase Order and refrain from selling the Goods and/or Services thereunder to Niagara.
- b. Unilateral Contract. In the event a court of competent jurisdiction deems that the Agreement does not constitute a valid contract, then the Agreement shall be deemed to be Niagara’s offer to enter into a unilateral contract, which Seller can accept only by performance (*i.e.*, delivery of Goods) and subject to the terms and conditions set forth herein. No course of prior dealings between the Parties and no industry custom shall be relevant to supplement or explain any term used in the Agreement.
- c. Purchase Order Cancellation. Niagara shall have the right in its sole discretion to cancel a Purchase Order for any reason prior to delivery. In the event Seller has delivered pursuant to the Purchase Order and Niagara, in its sole and absolute discretion, is dissatisfied with Seller’s performance, Niagara is entitled to reject or provide timely revocation of acceptance of the Purchase Order without penalty by so advising Seller; provided that, Seller shall have seventy-two (72) hours to cure or correct any defects or non-conforming Goods. Payment of any invoice shall not be deemed a waiver of Niagara’s right to reject or revoke acceptance of any Goods and/or Services performed. Seller shall bear all expenses and risks of unpacking, examining, repacking, storing, holding and/or reshipping and returning any Goods rejected (or whose acceptance is revoked) by Niagara. Timely revocation shall be thirty (30) days from delivery or discovery of non-conformance, whichever is later, or in the event that equipment is installed by Seller or a third-party, thirty (30) days from the installation completion date. Subsequently, upon Niagara’s return of the Goods, and at Niagara’s option, Seller shall refund to Niagara, or Niagara may offset its refund against amounts it owes to Seller, minus any design or specialty charges. Seller agrees that Niagara’s exercise of any right or remedy provided in the Agreement does not preclude any other right or remedy, all of which are cumulative and not exclusive of any other that may be available to Niagara, whether provided by law, equity, statute or otherwise.
- d. Packing / Delivery. The delivery location of the Goods and/or Services (the “Facility”) shall be as indicated on the Purchase Order. Seller shall suitably pack and clearly mark the Goods in accordance with Niagara’s instructions and deliver the Goods to the Facility within the delivery timeframe indicated on the Purchase Order. Seller shall ship all Goods transported over water using seaworthy packaging. Niagara may, in its discretion, determine Seller to be in material breach of the Agreement in the event Seller fails to conform to the packing and delivery requirements, and in such case Niagara may (i) immediately terminate the Agreement without further notice to Seller and with no further obligation or liability of Niagara, (ii) withhold any payment then due and owing to Seller, and/or (iii) pursue any and all remedies against Seller available to it in law and/or equity including all damages suffered by Niagara.
- e. Timing. Unless a different time period is set forth on the face of the Purchase Order: (i) all in-stock Goods shall be delivered within twenty-four (24) hours from the time of Niagara’s submission of the Purchase Order; and (ii) all not-in-stock Goods shall be delivered within three (3) days from the time of Niagara’s submission of the Purchase Order. **Time is of the essence** relative to all Seller obligations.
- f. Risk of Loss / Title. If a shipping term is not otherwise specified on the Purchase Order, the Goods are sold DDP (Incoterms 2020) the Facility. Risk of loss shall pass to Niagara upon Niagara’s acceptance of the Goods at the Facility. Title to the Goods shall pass to Niagara upon the sooner of delivery of the Goods to Niagara or Niagara’s payment for such.
- g. Paid Stock. Seller shall bear all risk of loss, injury or destruction to Goods for which Niagara has paid but Seller has not delivered to Niagara (“Paid Stock”) while the Paid Stock is warehoused with Seller. Seller shall obtain and maintain insurance insuring the Paid Stock against loss, damage or destruction due to accident, theft, fire, flood, abuse or vandalism or other hazards commonly covered by extended coverage insurance. Seller shall grant Niagara a security interest in the Paid Stock and execute such financing statements, security

documents and other instruments as Niagara shall deem appropriate to protect Niagara's ownership of the Paid Stock against claims of creditors of Seller or third parties. Seller agrees to indemnify, defend and hold Niagara harmless from and against the payment of any sum of money and against any expenses whatsoever, including attorney's fees and court costs, which Niagara may be called upon to pay or incur resulting from any loss or damage to the Goods while warehoused with Seller or resulting from a creditor's or other third party's claim of interest, lien or right in or to any Paid Stock warehoused with Seller.

- h. New Developments / Upgrades. If Seller develops new technologies or upgrades applicable to the scope of supply and commercializes the same, Seller will act in good faith to offer them to Niagara at a fair and equitable price.
- i. Electronic Data Interchange. Niagara may require electronic transmission and/or receipt of data via electronic data interchange ("EDI") formats, including but not limited to purchase order, inventory, and/or transaction data. Seller shall comply with any Niagara EDI reporting requirements at no additional cost to Niagara. Niagara requiring EDI of a particular data shall not be deemed to require all future data of same type to be through EDI unless so specified by Niagara. Seller warrants the accuracy of any and all EDI data it provides to Niagara.
- j. Change Control Procedure. Niagara may at any time upon written notice to Seller revise the Services or Goods in a manner which does not materially change the scope of the Services or Goods. Niagara may also request a material change in the scope of the Services or Goods or date of performance agreed to by the Parties. Within five (5) days after receipt of such a request, Seller shall submit to Niagara a written proposal, including time and costs, to address Niagara's requested changes. If the proposal is accepted in writing by Niagara, Seller shall perform the modified Services and provide the applicable modified Services or Goods subject to such proposal in accordance with the terms and conditions of this Agreement. The corresponding order shall be revised accordingly and mutually agreed to by the Parties.

## 2. PRICING AND PAYMENT.

- a. Purchase Price. All fees and charges are as stated in the applicable Purchase Order. All prices are in US Dollars unless otherwise stated on the Purchase Order. The total purchase price excludes any applicable sales or use tax for which Niagara shall be responsible but includes any other taxes and all fees, shipping costs, duties, deposits, tariffs and other costs and charges (including without limitation any costs and fees that may be imposed by government authorities outside the U.S.) ("Seller Charges") for which Seller shall be responsible. Seller will promptly reimburse Niagara for any Seller Charges Niagara may pay.
- b. Pricing. Seller warrants that the prices specified in the Purchase Order are as low as any net prices given by Seller to any other customer for goods or services of like grade and quality in like quantities at the time the order is placed.

- c. Seller to Pass Along Savings. In the event of manufacturing or other cost savings for any reason, such as from reduced component or raw materials costs, fluctuating exchange rates, reduced average industry pricing, or increased purchases of Goods by Niagara, a portion of such savings shall be passed on to Niagara, and the Parties shall negotiate in good faith to determine the portion to be passed on to Niagara.
  - d. Invoicing / Payment Terms. Seller will invoice Niagara electronically upon shipment of the Goods or performance of the Services. Except to the extent otherwise expressly stated in a Purchase Order, payment terms shall be 2%/15, net 60 days of Niagara's final acceptance of the Goods or Services or receipt of undisputed invoice, whichever is later.
  - e. Overdue Payments and Disputed Amounts. Seller shall promptly notify Niagara in writing of any overdue payments. Within twenty (20) business days from receipt of such notice (the "Cure Period"), Niagara will pay any undisputed amounts and notify Seller of any amounts that are subject to a good faith dispute. Payment of undisputed fees within the Cure Period shall be deemed paid on time. For the purposes of determining the timeliness of Niagara's payments (including cure payments), payment shall be deemed effective on the date Niagara forwards the payment to an ACH payment processor or on the date of postmark (as printed on the payment envelope by Niagara's electronic postal meter). In the event of a good faith dispute, Niagara may withhold all disputed sums until the Parties resolve the dispute, and such withholding shall not be deemed to constitute a breach of this Agreement.
  - f. Set-Off. If Niagara has a claim against Seller or Seller owes Niagara for any damages, rebates and/or credits, Niagara may deduct or set off such amounts from amounts due to Seller by Niagara.
- ## 3. SERVICE TERMS.
- a. Service Levels. Except as may otherwise be described in a Purchase Order, Seller shall maintain a 99% service level (the "Service Level"), which means that Seller completely fulfills all Purchase Orders on or before the due date 99% of the time. Seller shall be in breach if Seller fails to maintain the Service Level for any two (2) consecutive weeks. Seller's continued failure to meet the Service Level after notice of non-compliance from Niagara shall constitute a material breach, giving rise to Niagara's right to terminate the Agreement, cancel all outstanding Purchase Orders, withhold any payment then due, and pursue all other available remedies and damages.
  - b. Tools / Cleanup. Any necessary tools, tarps, ladders, rigging equipment or the like related to the delivery of the Services shall be provided by Seller at no additional cost to Niagara. Seller shall fully clean up to Niagara's satisfaction after work is done, and shall be responsible for disposal of any and all installation and/or shipping material and any fees for disposal containers. - b. Goods Warranty Period. In the event the Goods cannot be fully utilized by Niagara for a period of time during the Goods Warranty Period due to the Goods' non-conformance with the warranty, the Goods Warranty Period shall be extended by that same period of time. In the event Niagara becomes aware of a latent defect after the end of the Goods Warranty Period, but the defect arose during the term of the Goods Warranty, Seller shall acknowledge, accept and honor Niagara's corresponding warranty claim.

- c. California Commercial Code. All warranties implied by California's Commercial Code, including California's implied warranties of merchantability and fitness for a particular purpose, shall apply to the Agreement, notwithstanding any other terms or disclaimers set forth in Seller's sales invoice(s) or other confirming memoranda. These warranties shall be in addition to any and all express warranties of Seller. Inspection and Acceptance. Notwithstanding any California (or other state's) Commercial Code provision to the contrary, Niagara's examination of Goods prior to contracting, and/or Niagara's refusal to perform such examination, shall not act as a waiver, limitation or exclusion of any express or implied warranty, even if such examination may have, should have, or would have revealed such defects. Under no circumstances shall Niagara's conduct in "signing off" on Goods waive, eliminate or modify Seller's warranties or liability hereunder. Seller agrees and acknowledges that it is the expert with regard to its Goods in question, and that Niagara shall not be deemed to have assumed responsibility for errors and/or problems contained in or associated with the Goods.
- d. Remedies.
- i. Correction. Promptly upon receipt of notice of a breach of warranty, patent nonconformity, problem, or other damage or defect of any kind, Seller will correct such at no cost to Niagara as soon as commercially reasonable, including without limitation, shipping Niagara conforming in-stock Goods within twenty-four (24) hours, and using best efforts to expedite the fabrication and delivery of any Goods that are not readily in stock within five (5) days. Any replaced Goods shall be deemed subject to the warranties, representations and guarantees hereunder beginning on the date the replaced Goods are accepted by Niagara.
- ii. Alternate Remedy. If Seller cannot replace, repair or remedy defective Goods within a reasonable period of time as required by Niagara's business necessity, Niagara may, in its sole discretion, (i) repair or modify said Goods and Seller shall reimburse Niagara for any and all expenses incurred, (ii) return the Goods for a full refund, or (iii) purchase said Goods from another entity at Seller's cost, including all costs of shipping, handling, freight, duties and third party storage costs (if any), as well as all labor costs associated with warranty work.
- iii. Goods Hold and Destruction. Any Goods furnished by Seller which Niagara believes do not comply with the specifications applicable thereto, and that Niagara rejects as non-conforming and/or defective, shall be held for Seller at Niagara's facility for no more than thirty (30) days after Niagara's email notification to Seller. Within the same thirty (30) days, Seller must; (i) inspect the Goods (if Seller so chooses), (ii) provide Niagara with written disposition instructions, and/or (iii) remove the non-conforming Goods from Niagara's premises, at Seller's sole expense. In the event that the Seller fails to provide disposition instructions to Niagara or remove the non-conforming Goods upon the expiration of the thirty (30) days or dispute the alleged non-conformance, Niagara may discard, scrap or dispose of the Goods in Niagara's sole discretion at Seller's sole expense. In the event that Niagara discovers nonconforming and/or defective Goods under the threshold of \$250.00, Niagara shall have the right to dispose of such Goods as Niagara sees fit, in Niagara's sole discretion, including but not limited to destruction of the Goods.
- iv. Third Party Damages. In the event Seller provides nonconforming or defective Goods, and such Goods cause Niagara to fail to meet its customer obligations, Seller shall be responsible for making Niagara whole, which includes but is not limited to reimbursing Niagara for the costs associated with late delivery and any fines/fees charged by Niagara's customers.
- v. Cover. In the event that Seller is unable to perform any obligation under this Agreement, Niagara shall be entitled to purchase substitute performance, and Seller will be liable for any additional and/or incremental costs incurred by Niagara.
- vi. Cumulative Nature of Remedies. No one remedy is intended to be exclusive; remedies are cumulative and may be combined as needed to make the aggrieved Party whole. Niagara expressly reserves all rights available at law and/or in equity, in addition to the remedies specified above.
- e. Survival. Seller's warranties shall survive delivery to and acceptance by Niagara and shall not be deemed waived by reason of Niagara's payment for the Goods. No attempt by Seller to disclaim, exclude or modify any warranties shall be of any force or effect.
9. FORCE MAJEURE. In the event of storms, acts of God, riots, civil insurrection, flood, strike, war or any other force majeure event that reduces or otherwise limits Seller's production or delivery capabilities, Seller shall (i) inform Niagara immediately; (ii) use best efforts to meet its commitments to Niagara in accordance with the Agreement; and (iii) to the extent partial performance is possible, provide a proportion of Goods owed to Niagara no less than the proportion of goods it provides to Seller's similarly situated customers.
10. PERMITS, INSPECTION, AND AUDIT. Seller shall provide all drawings, calculations, engineering specifications and any and all other documents necessary to enable permitting. Seller shall obtain and maintain at its sole cost and expense all permits, licenses, cover certifications, and registrations required to provide the Goods as well as for construction and operation of any Equipment. Niagara shall have the right to inspect any Seller facility in which the Goods are produced upon twenty-four (24) hour notice to Seller. Upon request by Niagara, any duly authorized representative of Niagara shall, until three (3) years after final payment under the Agreement, have access to and right to examine directly pertinent books, papers, documents, accounts and records of Seller involving transactions related

to the Agreement. Seller shall maintain a binder on-site with physical copies of the SDS (Safety Data Sheet) documents for all chemicals provided and/or used by Seller. For any Seller-provided chemicals left on-site after the contractor demobilizes, Seller shall turn over a binder with the SDS documents to the Niagara Project Manager.

11. **RELATIONSHIP OF THE PARTIES.** Seller shall act as an independent contractor and not as an agent or employee of Niagara. Nothing contained in this Agreement is intended to give rise to, or gives rise to, a partnership, joint venture, agency, fiduciary, employment, or other relationship between the Parties or imposes upon the Parties any of the duties or responsibilities of partners, joint venturers or employer-employee, beyond the relationship of independent parties to a commercial contract. Each Party shall be responsible for compliance with all laws, rules and regulations applicable to it, and Seller is responsible for the compliance of its employees, subcontractors and other agents with all laws, rules and regulations, including without limitation wage and hour laws.
12. **ASSIGNMENT.** The Agreement shall be binding upon and inure to the benefit of the Parties hereto and their respective assignees. This Agreement shall not be assignable by Seller without the prior written consent of Niagara in Niagara's sole discretion.
13. **SUBCONTRACTING AND ADDITIONAL PARTIES.**
  - a. **Subcontracting.** Upon Niagara's prior written consent Seller may at its own expense use subcontractors, provided that Seller shall continue to be the primary contact for Niagara and shall be solely responsible for the acts, errors or omissions of the subcontractor. Seller shall be solely responsible for payment to the subcontractor and for all labor, equipment, or material provided by the subcontractor, and Seller shall defend, indemnify and hold Niagara harmless from and against any claims by the subcontractor arising out of or relating to Seller's use of such subcontractor. Seller will include a provision in all of its agreements with subcontractors stating that such subcontractors will look solely to Seller for payment of all fees and costs related to any Goods provided under the Agreement and will under no circumstances look to Niagara for payment.
  - b. **Additional Parties.** In the event Seller utilizes any party ("**Additional Party**") for the purpose of providing Goods to Niagara, regardless of that party's legal designation of contractor, subcontractor, materials supplier, agent, or otherwise, Seller shall submit to Niagara written notice of (i) each Additional Party, (ii) the duties each Additional Party will undertake, (iii) the amount of compensation each Additional Party is to receive from Seller, and (iv) Seller's compensation schedule and payment terms with the Additional Party. Seller's provision of this notice to Niagara is a condition precedent to Niagara's payment. All payments made by Niagara are conditioned upon Niagara's receipt of a conditional waiver and release executed by Seller and an unconditional waiver and release executed by each Additional Party. Seller agrees to defend, indemnify and hold Niagara harmless from any and all claims of any

Seller covenants and agrees that should Seller fail to provide Niagara with timely written notice regarding any third-party claim, Seller hereby generally and expressly waives, relinquishes and releases, and agrees to hold harmless, Niagara from and against any and all claims capable of being asserted by Seller against Niagara in connection therewith.

Termination by Niagara for breach of Seller’s performance obligations shall relieve Niagara of all payment obligations related to such performance, and Niagara expressly reserves all rights and remedies hereunder in such instance. In the event of Niagara’s termination for convenience Niagara shall pay for all conforming Goods subject to the termination up to the date of termination.
20. **NOTICES**. Unless otherwise provided for herein, all notices and other communications required or permitted to be given to or made upon any Party hereunder shall be in writing and shall be deemed given, if delivered personally or by certified or registered mail or air courier, on the date of such delivery to such Party or its respective successors and permitted assigns at the addresses listed in the related
