FIG. 1

AVIS AUX PROPRIÉTAIRES DES DESSINS INDUSTRIELS

Cet enregistrement de dessin industriel est valide jusqu'au 09 mars 2021.

N'importe quand avant cette date vous pouvez demander le maintien du dessin pour une période supplémentaire de cinq ans. Les frais de maintien sont prévus à *l'Annexe 2 : Tarif des droits du Règlement sur les dessins industriels*.

Un délai de six mois à partir de la date mentionnée ci-haut est possible pendant lequel on peut encore demander le maintien du dessin. Toutefois, un droit supplémentaire prévu à *l'Annexe 2 : Tarif des droits du Règlement sur les dessins industriels* doit accompagner le paiement.

Une fois que la période "de grâce" de six mois est écoulée, le droit d'exclusivité ne peut plus être maintenu. Dès lors, le dessin fera partie du domaine public.

Afin de maintenir un dessin industriel, une demande par écrit ainsi que le frais complet, en monnaie canadienne, doivent parvenir au Bureau des dessins industriels par ou avant la date d'échéance.

NOTICE TO REGISTRANTS OF INDUSTRIAL DESIGNS

This design registration is valid until March 09, 2021.

At any time prior to that date you may request that the design be maintained for a further five years. The maintenance fees are as prescribed by *Schedule 2: Tariff of Fees of the Industrial Design Regulations*.

A six-month "grace period" is allowed. A request for maintenance made after the date noted above but within six months of that date requires an additional amount as prescribed by *Schedule 2: Tariff of Fees of the Industrial Design Regulations*.

Once the six-month "grace period" has elapsed, the design can no longer be maintained and the term of exclusive right ends. From then on, the design would be in the public domain.

To maintain a design, a written request along with the full fee, in Canadian dollars, must be received in the Industrial Design Office on or before the due date.
